Evidence (2-4 quotes from text)

Analysis (how does each quote support or prove the author’s stance)

*Be sure to properly cite your quotations from the text using MLA-Style guidelines. Number the paragraphs on the article itself and use the following format for each piece of evidence: (author’s last name and paragraph number).*

*Clearly explain **how** this quote proves that the author’s view is valid or not. You may consider a quote as supporting evidence OR as evidence that you can disagree with and explain why you do so.*
